Banff

Nestled amid the foothills of the Canadian Rockies, this tiny mountain town in Alberta appeals to both nature enthusiasts and luxury seekers. Visitors can spend their days skiing or hiking in Banff Na-

tional Park (one of Canada's most beautiful national parks and home of the glacier-fed Moraine Lake) and floating down the Bow River on a canoe before retiring to one of the area's several opulent hotels for some spa therapy. Then, for incredible views of the Rockies, take a ride on the Banff Gondola.
